## Focused Vision, Meaningful Mission

### Our philosophy, values and assurance

Following is an 8-point statement of principles and beliefs that MC Security honors in our engagement with our partnerships:

1. To reflect the standards of ethics, codes of conduct and business dealing based on platforms of morality.
2. To provide security capacity that informs of our commitment to the welfare of society.
3. To improve the levels of reassurance and ease of operation of commercial, personal and state enterprise with which we contact.
4. To place a high premium on research, new development and enhanced strategies in safety response.
5. To occasion the right atmosphere for our staff to work, advance their careers and serve our clientele with courtesy and dignity.
6. To solidify our promise to strengthen employment and service-provider potential in the spirit of equity.
7. To strive to become the best professionals in the resource and delivery of security systems to commerce and communities.
8. To realize that every human being we serve is significant in the circle of life and worthy of our ultimate respect.

# Safety and Security: Life's Most Basic Essentials

## The present climate and how MC Security makes a difference

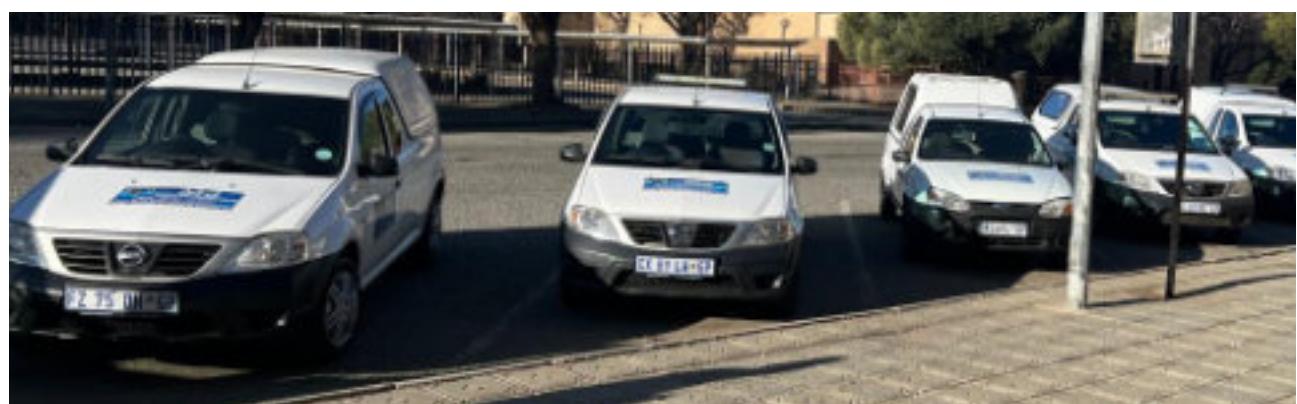

Today, more than ever before, South Africans are putting the spotlight on personal and corporate security, sharpening their focus on the serious issues affecting protection and our responsibility for well being.

With escalating crime, uncertainties in the policing system and privacy concerns, the obligation to protect life, property, and personal possessions have never been stronger. Private enterprise has had to mobilise much effort in generating tougher solutions to prevent crime, safeguard interests and gain respect as a formidable force in our country's challenging security situations.

MC Security & Investigations rises to the occasion and comes to the rescue with a multifaceted offering of protective responses formulated for community safety, commercial sustainability, social stability and overall peace of mind.

Founded in 1991, MC Security was born out of a dissolving culture, and had to speedily adapt to the new democracy's call for talent and business intelligence from a stable of new equity partners for fresh empowerment opportunities.

Today, MC Security is uniquely placed to deliver top-end operational controls, and highly trained field personnel matched to modern technological support systems. With such infrastructure we marshal our activities to safeguard and defend business owners, staff, facilities, stock, equipment and operations. We minimise damage, sabotage, misuse and disruption. We prevent loss and unauthorised access. And we manage risk while analysing threat. That's the core of our business commitment to you.

# Tactics, Technology and Training

## New methodologies, new improved Ways to protect

At MC Security, research, training, strategic innovation and operational insight are dominant factors in the advancement of our business.

Information, electronics, communication and technology play a vital part in the progress and success of the quality of protection we despatch to our clients.

An in-house training facility provides instruction in security, firearms, surveillance, intelligence gathering, electronic systems, access controls and bodyguarding.

MC Security is currently harnessing new data, tactical and technical learning from local and foreign sources which will increase the effectiveness of our own operations and bolster superior support for our existing and future customer base.

The Investigations Unit of MC Security continues to provide results-driven investigative expediencies for companies and individuals.

## Technology Used

### ActiveTrack

The Active Track is an extremely cost-effective, revolutionary device, offering real-time monitoring and two-way communication with the user's security guards/or personnel.

Designed as a user-friendly, tamper-proof, shock-proof and waterproof device, the Active Track can withstand the harsh conditions of all labour-intensive industries.

Its RFID, GPS and GSM functionalities; duress button; panic point settings; silent call function; and support via a live web interface and 24-hour call centre, ensure that the user's guard/or employee is awake, carrying out all patrols/or duties correctly and assisted in emergencies.

## Technology Used

### FPX 10

The mobile, modern and cost-efficient FPX 10 device has been engineered to provide real-time monitoring of time, attendance and whereabouts of employees, as well as of assets, through accurate 21-point fingerprint and RFID scanning. These features rely on the device's GPS and GSM capabilities to generate accurate data.

With the ability to integrate captured data into any payroll management system, and control the data remotely via an online portal, the user is afforded improved control over its workforce and assets, and will enjoy a reduction in payroll where the technology is implemented correctly.

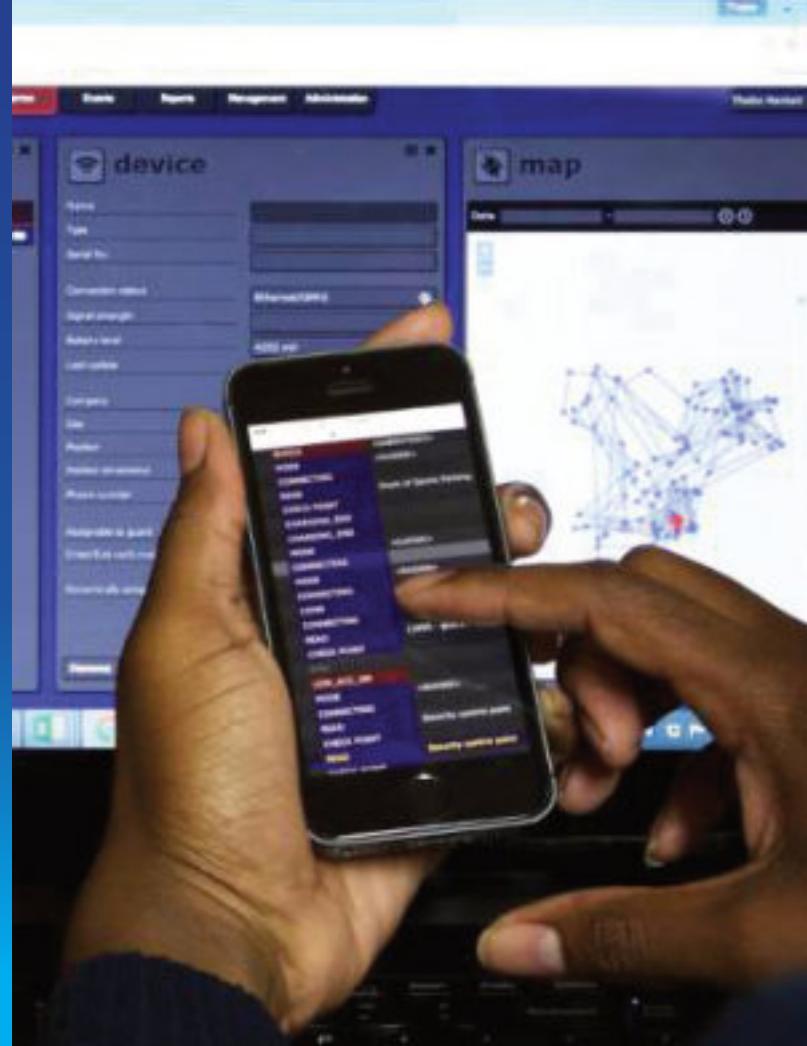

- Mobile
- No maintenance costs
- Suitable for all labour-intensive industries
- Configured to specific site requirements
- Data capturing through fingerprint and/or RFID tag
- Accurate 21-point fingerprint recognition
- GSM enabled, allowing for real-time monitoring and roll-call
- Functionality and data can be controlled remotely, through the Active View online portal
- Data can be integrated into Payroll Management Systems
- Reduces unwanted overtime
- Eliminates ghost employees
- Pre-programmed stay-aware, fire, medical, and emergency panic functions
- Can be used in conjunction with a personnel monitoring device — adding value to business

## Technology Used

### Active View

Active View is a web-based application designed to be used in conjunction with the Active Track and/or FPX 10 devices, to extend the functionality of the technology. This online portal offers unlimited control over the user's staff and assets, and is easily accessible from any location with internet access.

- NO INSTALLATION REQUIRED
- Application is adapted to work with multiple browsers
- Supported maps: Google, Open Street Maps
- Users created with multiple level access
- Real-time monitoring of connection status, battery level and GSM signal strength
- Preview on the map current and historical position of Active Track unit (date, time, speed, direction & altitude)
- Processing of alarm events in real time

### MAIN FUNCTIONALITY

- Flexible patrol route settings
- Processing of alarm events in real time
- Preview current GPS position on the map
- Preview route on the map - checkpoint with stated date, time, speed, direction and altitude
- Personnel staff data maintenance

### NOTIFICATIONS & REPORTS

- SMS and Email notifications as and when alarms have appeared in application
- Powerful management's reports in CSV format
- Periodic sending of reports via email
- Easy import and export functionality to/from Active View
- Visual and audio notification about new alarms

### TIME AND ATTENDANCE BASIC FUNCTIONALITY

- Workforce details - information of guards currently on duty
- Employee identification by RFID cards (the right person in the right place at the right time)

### EASE OF OPERATION

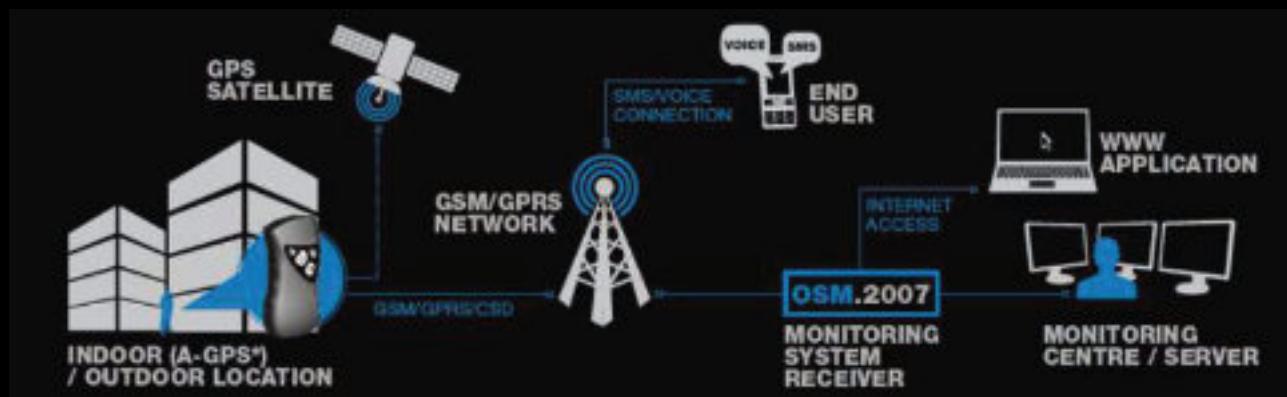

- Integration with other monitoring software - automatic forwarding of alarm events
- Real-time monitoring of connection status, battery level and GSM signal strength
- Easy to operate application with customer orientated interface
- Application suited to be easily translated into other languages
- Easy addition of information of monitored objects
- Possibility of expanding the functionality according to the client's needs

## Technology Used

### Cloud Track

The Cloud Track is one of Active Track's latest additions. It offers the most when it comes to device functionality. The Cloud Track combines the functions of a patrol device, visitor management system and live site management tool into a single, rugged, hand-held device.

The device owes its diverse functionality to its built-in: Honeywell 2D barcode scanner, 125 kilohertz fingerprint scanner, high definition 8MP camera, artificial intelligence software, RFID reader GPS & GSM functionality.

# Management

## Capacity, Capability and Competence

**Dr. M. Chetty**  
*Founder*

Community leader, humanitarian and former award-winning SAPS Branch Commander of the Crime Prevention Unit, Mr. Chetty jointly headed up the Anti-Corruption & Investigation Unit, bringing some of SA's most wanted criminals to face charges. He was one of the first five non-white, qualified finger print technicians in South Africa and opened the Soweto Branch of the Department of Forensics.

Mr. Chetty also served at the South African Breweries, implementing safety and security measures, dramatically reducing losses to the corporate giant. He has worked tirelessly as a security services provider for over a quarter century. He has national qualifications in security administration and is certified NOSA auditor in safety systems.

Additionally, Mr. Chetty participates at the convening of the quarterly National Religious Board whilst sitting on various boards for cultural and social upliftment. He is currently the President of the International Movement for Tamil Culture in Africa and holds a Doctorate for his community work in South Africa.

**Mrs Narisa Sinan**  
*Director*

Mrs. Sinan provides the day-to-day corporate direction, HR, PR, and overall systems support services to MC Security, setting the tone for productivity and functionality. She holds a degree in Human Resources, cum laude diplomas in Labour Relations Management. She has implemented the ISO 9001 as is the MRQ of the company. Narisa has received the status of HR professional - Generalist from the South African Board of People's Practices. She also has a Diploma as a Paralegal Practitioner from Rand Afrikaans University, and a Diploma in Financial Management. Narisa is also a Labour and HR

Consultant and a Commissioner of Oaths. Narisa has all the tools to run the day to day operations of MC Security and Investigations.

**Mrs Valashnee Chetty Hira**  
*Finance*

Handling the purse strings and the checks and balances is a strength that comes naturally to Mrs. Hira. Wise dealing and decision-making, coupled to a sense of finding added value, completes her in this pivotal company role. She holds cum laude management diplomas in Finance, Business and Human Resources.

**Ms Prinisha Chetty**  
*Procurement Manager*

Prinisha has been employed by mc security since 2016. She started as an assistant and was later promoted to procurement manager. She holds a certificate in management of nutritional health and first aid level 3, as well as a basic ambulance assistant certificate. She is currently doing a bachelor of commerce (gen) degree.

**Ms Portia Sejake**  
*Quality Manager*

Portia continuously maintains and improves our quality management systems. She carries out our internal audits, documentation of all processes, and successfully implements quality management systems and facilitation of the ISO 9001:2008.

## Capacity, Capability and Competence

### Mr Thabo Mofokeng

*Forensic Investigator*

Thabo is a conscientious and professional person with extensive experience in forensic investigations. He is highly organised and an efficient individual, whose thorough and precise approach to projects has yielded excellent results. His recent achievements include recommendations of how to deal with ghost employees and implementations of an innovative new filing and indexing system.

### Keneilwe Genevor Molaudi

*Project Manager and Admin*

Keneilwe Genevor Molaudi is the Project Manager and Administrator of MC Security and Investigations. She is one of Mrs Sinan's youngest prodigies originally from Welkom. Keneilwe holds a matric certificate, code 10 drivers license, Grade A PSIRA certificate, camera room certification, CCTV certification and now when joining MC Security and Investigations, the company has enrolled her to complete a security Management certification. Mrs Sinan being a female in a male dominated industry prides herself in pushing female security officers to further themselves in the security industry - Keneilwe is adamant on also becoming the very first female armed response security officer in Welkom as well as security instructor. 'Keni' will be an example to female security officers that we can do exactly what men can do in this male dominated industry just as her mentor did in the security industry.

### Mr Jack van Heerden

*Polygraph Examiner*

Jack has been actively participating in the Social Development Programme by the South African Professional Polygraph Association since 2013. He holds a Diploma from the American International Institute of Polygraphy.

### Mr Zephania Chakarisa

*Consultant*

Zephania is a person with strong mentorship skills with a vast amount of working experience. He is very accurate, honest and reliable. He copes well under pressure and has a strong knowledge of Management Systems.

### Mr Dinesh Sinan

*Fleet and Safety Manager*

Our new recruit Mr Dinesh Sinan has recently joined MC Security and Investigations, he joins us with his management expertise of Safety and Fleet Management. Mr Sinan has served the City of Johannesburg in the above roles and that of the EPWP Coordinator for 23 years. MC Security will surely benefit from these expertise and we are excited to be able to conduct verified safety audits during risk assessments of sites. Mr Sinan holds a Diploma in Safety Management, Diploma in Fleet Management, Certification in SHEQ Auditing and a certificate in Mentoring. He is also currently pursuing a management Degree.

### Mr Thabo Mantati

*Tech Specialist*

Thabo is a highly organised and competent individual with a background as a HSE practitioner and co-ordinator allowing him to successfully assess and manage risks with a keen eye for detail. He has used this ability in conjunction with being tech savvy to maintain a tight ship on all our technological databases.

## QUALITY POLICY STATEMENT

MC Security, established in 1991, is a world class Security and Investigations company in Lenasia. We pride ourselves in providing a quality security solution to our clients.

The Managing Director (MD) of MC Security and Investigations, Narisa Sinan, is fully committed to a policy of quality assurance conforming to the requirements of the ISO 9001:2008 international standard for Quality Management Systems, and will ensure that this policy is understood by all staff, including contractual security staff, implemented and maintained throughout the Organization.

In fulfilment of this policy, we shall ensure that our security services and products that are provided meet the intended purpose, stated performance criteria and in conformity to the requirements of the customer specification. This we will achieve by:

- Ensuring that we fully understand the Requirements Specification that we receive from our clients and tendering;
- Empowering all personnel to contribute towards providing quality security service and products to all our customers;
- Making all personnel accountable for quality assurance in his/her area of responsibility;
- Providing the resources required to establish, maintain and continually improve our quality management system;
- Establishing, maintaining and continually reviewing our quality objectives with the aim of enhancing product/service quality and customer satisfaction.
- Ensuring compliance with all relevant statutory and regulatory requirements as well as ISO 9001:2008 requirements at all times.

This quality policy will be reviewed and amended, as required, to ensure continued suitability to the scope of the organization.

Our policy is thus directed at achieving our Quality Objectives as depicted in Document Number  
POL 002 Quality Objectives

## Social Awareness and Community Support

MC Security upholds and practices standards of goodwill and benevolence to society. Over the years we have made significant contributions to community safety, well-being, education and other humanitarian initiatives as is indicative of these pictures. We continue to pledge our allegiance to any worthy cause that promotes a happier, safer and a better life for all.

Your continued support of our essential services better equips us to empower and serve others in need in our commitment to protect, uplift and add value.

## MC Security's Social Development Within Matjhabeng Municipality

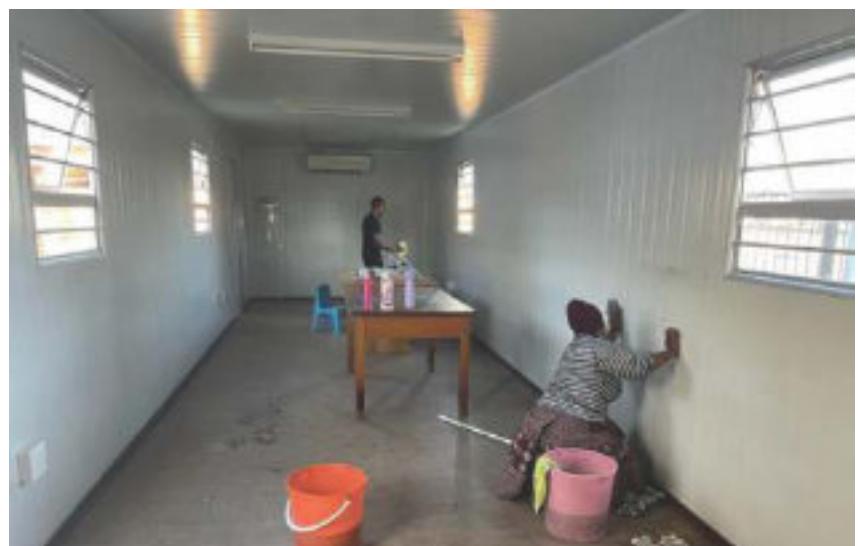

MC Security and Investigations partnered with the South African Police Services in Welkom to create a safe haven for women. The initiative was a Centre assisting women against all acts of violence, a national problem. SAPS had been given 3 containers to get the project started, but they could not get the project off the ground due to a lack of funds.

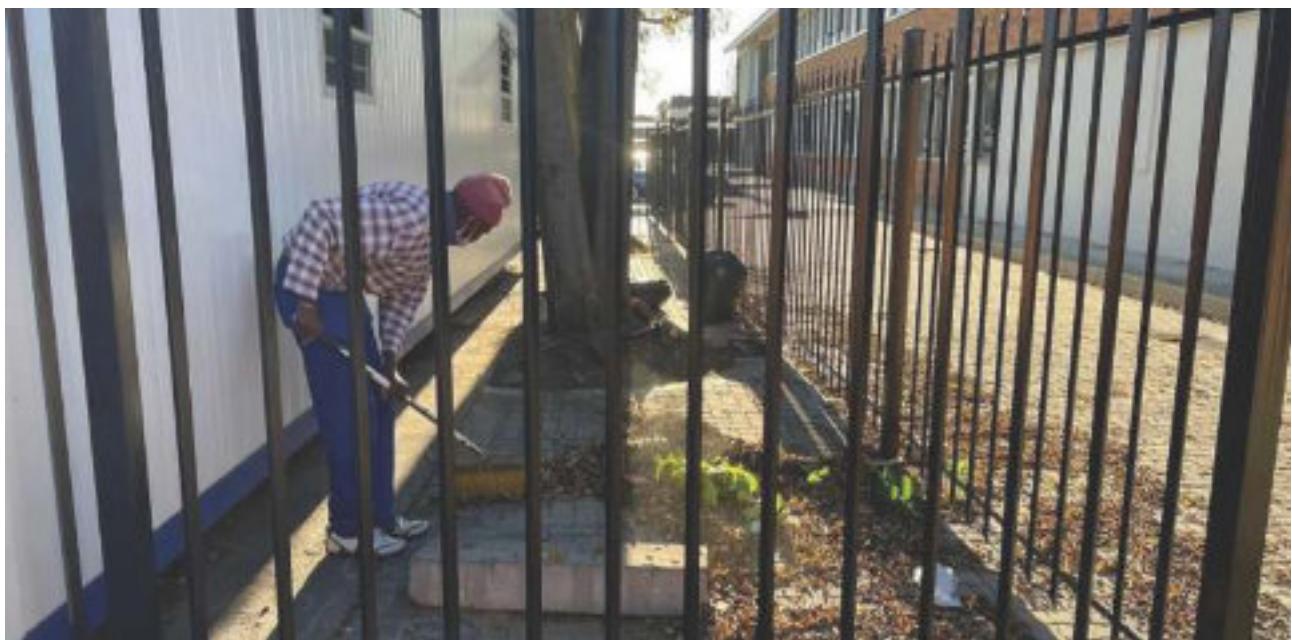

This was how the HOUSE OF LESEDI was born.

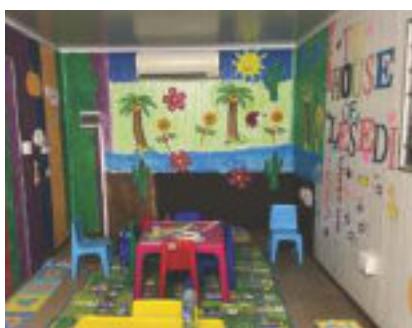

MC Security's Managing Director Mrs Narisa Sinan jumped at the opportunity to assist SAPS to get the project off the ground. MC Security converted one of the containers into a Counselling Centre for women, the second container was converted into a Counselling Centre for Children and the third container was converted into a mini home for women and children until they are moved to a place of safety.

### The Clean up

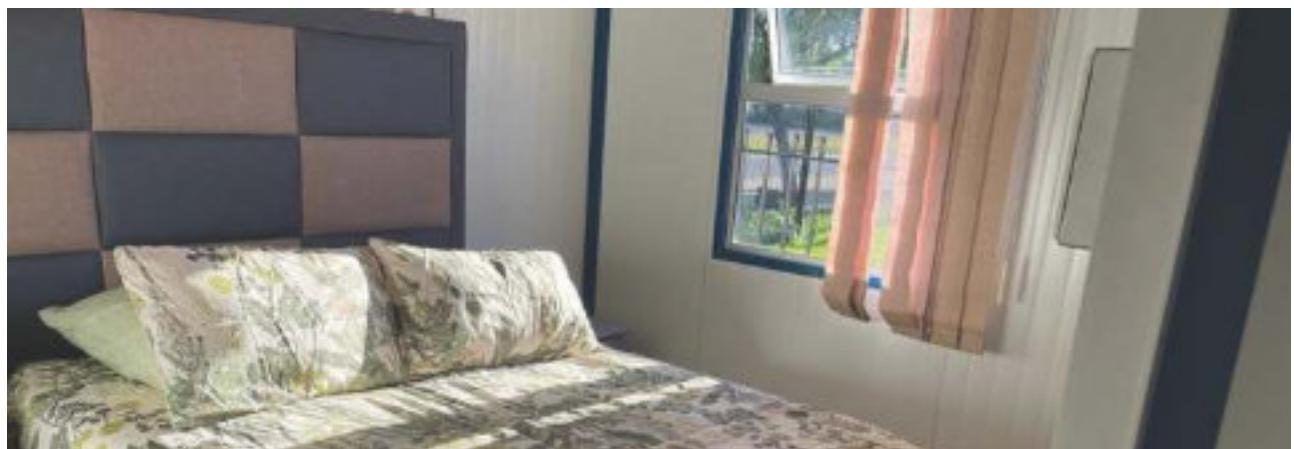

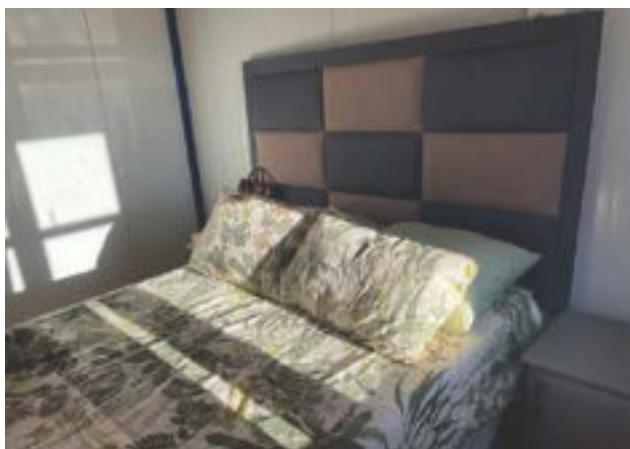

## Setting up for the children's Counselling Centre

MC Security's Management was very hands-on with this project.

## Setting up living quarters for women and kids

## MC Security and Investigations handed over the centre to SAPS Welkom on the 15<sup>th</sup> December 2022

CHILDREN COUNSELLING CENTRE WALKTHROUGH

WOMEN COUNSELLING CENTRE WALKTHROUGH

It was emphasised during the handover that the Mission of MC Security and Investigations has always been to support and give back to the community it works in which includes the employment of the community. If this initiative helps one woman we have been successful in this project.

MC Security has built a long-lasting and good relationship with SAPS, the Community Policing Forum and the Neighbourhood Watch which enables all stakeholders involved to achieve our goal and there is our vision:

“Provide Protection Solutions to Enhance the Quality of Life”

### OFFICE OF THE SENIOR MANAGER: PUBLIC SAFETY & TRANSPORT

---

To Whom It May Concern

Dear Sir/Madam

MC Security has been working with Matjhabeng Municipality for the past three years. During this time, MC Security has never disappointed the Municipality in terms of quality services for provision of security services and. In addition, their customer service is unmatchable, which is why the Municipality have renewed the security contract with them twice up till now, and plan to continue our relationship with them in the future as well.

Matjhabeng Municipality highly recommend MC Security for you any kind of security functions been electronic or physical security and believe that they are serving in the best manner possible. If any verifications or further understanding on their services you can any time contact Mr RT Mokhuoa at 057-3913118.

Based on experience together with this Service Provider, I can confidently recommend MC Security for Security Services at any giving time.

Yours sincerely

## REFERENCE LETTER: MC SECURITY

To whom it may concern

This is to confirm that MC Security have been contracted to provide security for the school since January 2019.

The service that we receive from the company is excellent and I have no reservations in recommending them to other schools and businesses that require a comprehensive security solution.

The guards are punctual and very professional. They are always neat and in full uniform. Their interaction with staff members and visitors is beyond reproach. They are courteous but firm and they control access to the school effectively.

The administration staff are also very helpful and professional. They provide excellent security advice and support.

We are extremely happy with the services that we receive from MC Security and will gladly recommend them to future clients.

Sincerely

**Letter of commendation: M.C Security**

Please be informed that M.C Securities have been providing a superlative service to the Libraries Department (Region G) a number of years.

Not only is this company a extremely efficient and effective service provider in terms of their stipulated contractual obligations (both in letter and spirit) but are also unquestionably proactive and always willing to go the proverbial extra mile.

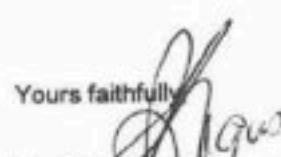

Moreover, the company is uncontested the first amongst equals, in terms of its social responsibility culture and ethos and has added value to this organization in a myriad of ways. Hence, this company is highly recommended and it is axiomatic that security is a nightmare at all municipalities, you will now eradicate those countless of sleepless night.

Hope you find this in order

Thank you

**Subject: Recommendation for Provision of Security Services- Guarding, Access control and Related Services**

I, Neville Smith, have no hesitation in recommending M. C. Security and Investigation Services to provide Security Services to any company as they may apply to for the following reasons:

1. They provided excellent and professional Security Services to the Sport and Recreation facilities of the City of Johannesburg Metropolitan Municipality in Region G.
2. They are fully equipped to do the required work.
3. They have fully trained personnel that adhere to the goals of their company. During the Recent Service delivery protest the company excelled in the protection of our Assets implementing the necessary safeguards.
4. They Provide Excellent Access Control Services at our sites – We have equipment, vehicles and stock including Valuables and Staff on-site, which they control the movement of, and report any irregularities timeously.
5. They are timeous in posting of Guards.
6. The Management is always courteous and respectful in execution of duties and in relation to dealing with their client.

Therefore, I recommend M.C. Security and Investigation services for any Project that they endeavor to associate with.

TO WHOM IT MAY CONCERN

M.C Security has been rendering their services for the past two years, to date all the facilities that I manage I have never experienced any incidents

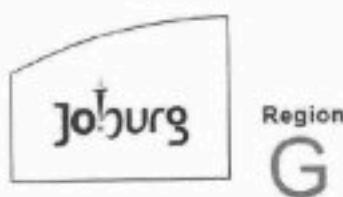

The facilities that are managed by myself are within the jurisdiction of Lenasia.

I have also taken note that at each facility guards are easily noticed because of the fact that they are proper attire that represents M.C Security

To Whom It May Concern:

I started working at the Corobrick Building in Region G during May 2001. When I arrived in the region MC Security had already been commissioned to do most of the security and guarding services in respect of facilities for the region.

There are a number of municipal buildings in the region, the largest of them being the Corobrick Building and the Ennerdale Municipal Complex. There are also a number of smaller buildings used for clinics, libraries, sports and housing in the region, some of which require full time guards and security services. M C Security performed guard duties at most of these facilities. Their contract expired and was renewed again.

During the past eleven years I have come to know the personnel of MC Security stationed at the Corobrick Building quite well. The guards and their supervisors render a very professional service and have an exceptional record in respect of guarding the Council's facilities. Over this period I cannot recall any theft at the Corobrick and Ennerdale buildings. The staff turnover of MC Security is particularly low and by now I know them all individually quite well.

Very often I have to work until late and the guards will then frequently visit my office to see if I am still safe. On occasions the supervisors have escorted my motor vehicle to the highway in order to make certain I arrive home safely. This attitude is unique in my experience with providers of security services.

The proprietor of M C Security, Mr Mickey Chetty has always tried his best to provide an exceptional service to Region G. If problems were brought to his attention, even at very short notice, he would make his personnel available to accommodate the region. One of his most remarkable attributes is to always keep scrupulously and conscientiously to arrangements and agreements. In the provision of security services this is a trait which is priceless to the comfort of clients.

I sincerely hope that the relationship between Region G of the City of Johannesburg and MC Security will continue unabated for the foreseeable future.

M.C Securities have been servicing Eldorado Park Fire Station for more than 6 years. As a Station Commander in Eldorado Park Fire Station I would have no fear in recommending M.C Securities to anyone. Eldorado Park Fire Station is in an area whereby it is vital to have a clued up security company. Looking at the years with this company it shows that we have been getting the services we needed.

Mc Securities staff are well trained, discipline, punctual, reliable and neat. The management do visit the site more often, the supervisors comes daily anytime. If experiencing a problem it gets attended to immediately by the Supervisor or the management, their doors are always opened. They also go an extra mile and give suggestions if needed. We as the staff in Eldorado Park Fire Station are lucky to have this company looking out for our safety.

If having any queries and questions please do not hesitate to call the number below

**RECOMMENDATION: SECURITY SERVICES**

I, Neville Smith, the undersigned, hereby recommend M.C. Security and Investigation for the tender that they are applying for as I am of the opinion that they have proved that they render efficient and effective Security Services in Sport and Recreation: Region G: Ennerdale.

The Security Guards are usually very neatly dressed and properly equipped whilst on duty.

The management of M.C. Security always treated my area to the best of their ability, timeously and professionally.

No incidents occurred in my area.

Dear Sir

**Relief effort: Weilers Farm**

On behalf of the Executive Mayor, the Honourable Councillor Amos Mosondo and the leadership of the City of Johannesburg, I wish to convey our sincere appreciation to you for assisting in relieving the plight of those residents in our region, especially in Weilers Farm informal settlement, who suffered damages to their homes and possessions during the recent rainstorm.

It is heartening to know that your contributions not only stemmed from a humanitarian perspective but, I believe, from a desire to contribute to our common goal to, in the words of the Honourable State President, "lend a hand in the national effort to build a better life for all."

Thank you most sincerely once again.

TO WHOM IT MAY CONCERN

Dear Sir/Madam,

**RE: LETTER OF REFERENCE - M C SECURITY & INVESTIGATIONS**

The South Africa Hindu Maha Sabha was established in 1908 and is a National Body representing the cultural and religious aspirations of the South African Hindu Community. For the past 110 years the Maha Sabha has endeavoured to serve as a democratic forum for Hindus in South Africa. During this period many men and women have served the Maha Sabha with dedicated distinction.

One of the projects of the SAHMS is the Gauteng Diwali Festival that is hosted annual at the Gold Reef City Theme Park. The aim of festival is to promote the Hindu Culture and to unite the South African community in assisting all races and cultures to understand Hinduism. The festival starts at 08h00 and ends at 00h00 on a chosen Saturday, but the preparation and logistics start three days before and end the day after the festival. The festival draws a crowd of approximately 12 000-13000 people during the course of the day. We also get VIP guests from Government, Businesses and NPOs and also Media present at the festival.

MC Security & Investigations have been one of our partners for the festival over the past four years has provided the security of the premises before, during and after the festival, and has also provided the JOC Security Plan for the venue. We also host a Guest Relations Function on the night of the festival at the Gold Reef Conference Centre and MC Security & Investigations also provides security for our guests during that event.

The professionalism, ethics and manner of the Management and staff of MC Security & Investigations is highly commendable. Considering the size of the event and the difficulties that can be experienced in arranging such an event, MC security & Investigations has always been more than willing to assist in accommodating all our requirements with pleasure and friendliness.

As the President of the Gauteng branch of the SAHMS, I would recommend their service to any company without a doubt. The Executive of the SAHMS would like to place on record their sincere gratitude to the Management and staff of MC Security & Investigations and wish them well in all their future business ventures.

Yours in Community Service
